Swivl Video Uploading Instructions

1. Go to cloud.swivl.com and create an account and watch the instructional videos prior to recording your lesson.
2. You can use the swivl with an iphone, ipad, or ipad mini (there is an android version too). If you do not have access to any of these devices, let me know and I will get you an ipad mini for your recording.
3. After recording your lesson with an apple device and swivl, upload the video to your swivl account and share with katie.simmons@newberry.edu.
4. If you have any additional questions on uploading and sharing your swivl video contact me, at katie.simmons@newberry.edu. If your concern is over the actual swivl device contact swivl customer service.
